Nov. 8 CONVOCATION IN MILLS THEATRE 7:30 p.m.

MICHAEL CHINOY
presents:

A FIRST-HAND VIEW of CHINA TODAY

Michael Chinoy, native of Northampton, traveled to the People's Republic of China last August. He visited Canton, Peking, and Shanghai, as well as six major cities in northern China, formerly Manchuria. In one of these cities, Kiamusze, he was among the first group of Americans to visit since the Communist take-over in 1949. He was also in Peking during the dramatic end of the Chinese Communist Party's historic Ninth Party Congress. His trip included tours of factories, communes, and private homes as well as coal mines, schools and hospitals. En Route to China he visited Japan and Hong Kong.

A RECEPTION for all STUDENTS will follow in WEST HALL DINING ROOM

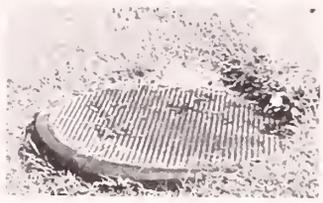
GLEN HALL



Sometimes I find myself on the outside, observing,

or among others, experiencing....

Puzzle

Complex, intricate
Piece of work

Many pieces
In some way... fit together
To make a whole

As we glance
On our own reflections
We are not sure
That we see the entirety of ourselves

We are aware
Of our external solidity
Yet, not so certain
That we contain
All the pieces
Of the inner self

We constantly question
The content of our minds
Our souls
We are forever concerned
With gathering more pieces
And are never content
With what we posess

Look farther
Search deeper
Feel more
Study seriously
What is there missing?
Then we suddenly become aware
That the more complex we make ourselves
The more pieces we find lacking
